## Dairy Cattle

Enquiries to Chief Steward TB requirements: All animals entered for showing or exhibiting must be from a current TB Clear Status herd. A copy of the current TB Test certificate must be attached to the entry forms. The Association must be notified at the time of entry of any testing to be carried out after the closing date of entries or of any potential TB issues that may arise after entries have been submitted. Owners must sign any declarations printed on the entry forms. There are two documents required: 1/ A TB Test Certificate. For animals from a Declared Movement Control Area -all animals aged three months or older are to be TB tested and have a clear test within 60 days prior to being moved to the show. All other animals must be from a herd that is up to date with its current routine TB testing requirements. 2. A TB Animal Status Declaration Card. This is a legal requirement for all animals being moved. All animals entered must be accompanied in transit by a signed and dated TB Animal Declaration Card showing a TB Clear Status in accordance with present legislation. Animal individual numbers must be included on the TB test. These cards may be inspected at the unloading area. NAIT: All animals being exhibited at the show including any participating in a hoof and carcass competition come under the standard identification and ASD regulations. These cattle will require the NAIT approved RFID tag. Where live cattle or deer form part of a trade display the exhibitor is responsible for: (a) Ensuring all stock have completed all TB testing requirements as per Animal Health Board regulations. (b) Ensuring all stock are identified in accordance with current legal requirements

## **Malcolm Hutchings Northern Districts RAS Young Handler Competition**

Rules This competition is run in the Northern District only, but any competitor in New Zealand can enter.

Competitors aged 8-19 years are eligible to enter. The junior class is 8-12 years (inclusive) while the senior is 13-19 years (inclusive). All ages are as of October 1st of the current show season. Entry is to be free to all competitors. The competitor may use cattle of any age and the animal does not have to be the property of the handler. The competitor may only enter the beef or dairy class, not both. To be eligible for the Northern District prize, the competitor must compete in three or more Northern District A & P Shows in the chosen class for the current Show season. The final show of the season is at Auckland. Competitors are not required to compete at that show but they must attend the prize giving shortly thereafter otherwise winners will forfeit their prize. The competitor may enter as many shows as they wish, but their final score will be the average score from all the shows they have competed in for the current season. In the event of a tie the competitor with the highest number of first place wins then second place wins and so on will be the winner. If entries are low, competitors may be paraded together, however each class will be judged separately. Prize money at show level is to be provided by the show at \$20 for 1st place, \$10 for 2nd and \$5 for third. The highest scoring Northern District competitors in each of the four classes will receive \$130 for 1st place, \$100 for 2nd, \$75 for 3rd and \$45 for 4th. Selwyn Driver and the Northern District Council sponsor all prize money and the winner of each class will receive a medal awarded by the Royal Agricultural Society of New Zealand. Shows are to record the names of all entrants regardless of placing. All placings are to be made to 6th place. Judging Guidelines Presentation of the competitor The competitor is strongly advised to wear a plain white shirt with dark pants and clean, strong boots. No open footwear or gumboots are permitted; if a hat is worn it must be worn correctly; No logos or advertising whatsoever are to be present on any clothing including hats. This includes stud/breed names and breed uniforms. Presentation of the animal The animal itself is not judged, however general presentation is to be taken into consideration as the competitor is expected to have prepared the animal for the ring; The competitor should make sure that the animal is washed and groomed with hair appropriately trimmed and clipped and hooves clean and tidy; The halter should

## Kaikohe A P & H

be clean and fit the animal correctly. Rope or leather halters are allowed. For beef competitors, if a show stick or cane is carried, it is to be used correctly. Parading of the animal The competitor should aim to display the animal in such a manner that the judge gains a clear view of the animal at all times, and the animal is seen to advantage. They should know the weaknesses of the animal and not place the animal in a situation where these are going to be made obvious. They should walk in tandem with the animal without getting their foot caught under the animal's hoof. The competitor should be able to stop, move on, and stand the animal up when requested. They should be aware of different leading styles: dairy competitors lead from the front, while beef lead from the shoulder. Senior competitors may be asked to swap animals with other competitors. Juniors will not.
