Originally the Waikouaiti county stretched from near the present North East Valley to Maheno and inland to Macraes and to the summit of the pass at the Brothers on the Pigroot. In the 1860s many A & P societies were being formed. A meeting was held in Waikouaiti on 12 August 1865 with Mr McGregor in the Chair and Mr Malloch as Vice Chair. A month later the society was formed with Mr John (Johnny) Jones as President. By October the Waikouaiti and Shag Valley A & P Assn. Rules and Regulations were approved, with a 16 man Committee nominated. John Jones donated 25 and a grant of 14 acres of land to be used for 14 years. In 1866 the first show

Pamerston Waihemo A & P Association Palmerston & Waihemo A & P Show

was held in Waikouaiti on 28th March. This event was celebrated 150 years later with the inaugural East Otago Field Days. Both events were extremely successful. In 1867 on 3rd April the second show was held in Palmerston and this event is being celebrated at our 2017 Show. The two townships continued to alternate in holding A & P shows, with the thirteenth one held in Palmerston on 21st December 1878 reported as "The exhibition was in all respects the best ever held in the district" and "There can be no question the show was in this respect the most successful of any yet held." By 1881 each township decided to have its own A & P society. The Waikouaiti and Shag Valley A & P became the Waikouaiti County A & P Assn. based in Palmerston, while Waikouaiti formed the Waikouaiti Royal Agricultural and Pastoral Association at Waikouaiti. However, in 1882 the northern part of the Waikouaiti County became the Waihemo County and the Palmerston based society was renamed the "Palmerston and Waihemo County Agricultural and Pastoral Association." The word "county" has since been dropped. The Waikouaiti A & P continued to the 1970s. In 2015, the Palmerston & Waihemo A & P Assn. decided that the Waikouaiti and Karitane communities should be included so both the field days and the shows are to be named East Otago (shows for North, South, and West Otago already exist).

Section 54 Side Saddle #

Could be on at about 2.30 in main arena on Sat 4th Feb 2017 The New Zealand Side Saddle Ass. Breed Standards The side saddle is based on a traditional form of riding. It is not an Open Showing Section Emphasis is on the horse or pony performing well at all paces on both reins and providing a safe and comfortable ride The Combination of horse and rider should possess a picture of poise, elegance and harmony. No rider age restrictions. Junior and Senior (adult) riders complete together in most classes. Height certificates are not required. It is better

Pamerston Waihemo A & P Association Palmerston & Waihemo A & P Show

The class is generally worked on both reins at walk trot and canter The judge is looking for the most elegantly matched horse and rider and though the quality of paces, riding or turnout will have a bearing on the judging, the most important point is the overall impression of elegance.

Class 527 Side Saddle Mount

Mount most suitable for the side saddle rider. Consideration to be given to the manners of the mount and the harmony of the rider and mount together
